Rules:

- Gentlemen golfers to tee off from the Men's (Blue) tee box and ladies to tee off from Red tee box
- Strokes - Lower handicap player will give strokes to his opponent based on the difference of the handicap. Individual handicaps are clearly marked in the pairings.
- To ensure fast play, please take note of the following:
 - All 4-balls to play 'Ready Golf' throughout the round.
 - If the ball goes in the penalty (hazard) area or in a water body, please take the next shot from point of entry within 1 club length and 1 stroke penalty.
 - If the ball lies on the cart path or grill, a free drop on the fairway side is allowed at a 2 club distance from the cart path away from the pin.
 - If the ball is plugged (80%) in the play area (fairways & first cut), players may announce the same, take relief of up to 1 club length away from the pin and take the next shot without any penalty. A ball lying in deep rough or thick grass is NOT considered plugged.
 - Every hole should be decided by both players, before leaving the hole, not delaying the game.
 - Players are not allowed to leave 18 hole without deciding who have won the match. If they are even then players can play 1 extra hole, to define the winner. If the course is blocked by other players, then players can do a putting competition to define the winner. ***It should be decided before the game starts.***
- Please put out with the same ball that you tee off with on a hole (unless a change of ball is warranted under the rules of golf, you may also change & clean the ball while taking a drop). No separate putting ball is allowed.
- If the draw requires, there can be picked a Lucky loser(s) at the end of each round. The lucky loser becomes a player who has lost in the last round while having the lowest HCP amongst defeated players. Any player can become LL only once in the tournament.
- No Mulligans, please!
- Since this is tournament is an individual match play, if a match is won before the completion of 18holes, it is recommended to stop play to ensure fast play.
- Please adhere to the golfing rules and etiquettes mentioned above and circulate from time to time on various forums for a fun and pleasant round.
- Given the large field and our efforts, holdups may occur. We urge you to be patient and considerate to your fellow Golfers.
- Please be aware that every player has to provide an extract from their local HCP system, that they have at least played 20 rounds in the year 2021.
- Please be at your tee 10 minutes prior to the scheduled time for a timely tee-off. If a player were to report late, the group should tee off without that player. Holes would be conceded until such time that the player joined the group.
- We advise all the players to have a golf rule book during the competition.
- All matches are played under "the official rules of golf".
